Letter of Recommendation
Of Yuri Cristiano Mascarenhas Diógenes

To Whom It May Concern

Yuri Diogenes worked for CETREDE from 1993 to 1995. He started as a Microcomputer Operator, but quickly he changes your position to Instructor. In this position Yuri Diógenes contribute with us building new courses, prepare students manual and documentation plans to new technologies of learning.

He was well reviewed by the students in all classes and conducted himself in a professional manner. Hi is a model of instructor and we would be happy to provide a reference for him.

I have no hesitation in recommending Yuri Diógenes.

Sincerely,

Márcia Maria Machado Freitas
